

Kære Beboer,

I lyset af den nuværende situation med Covid-19 i Odense skal vi alle gøre en indsats for at forebygge smitten.

Hvis du er smittet anbefaler vi, at du kontakter os på vores telefonnummer 66 13 40 08 i vores åbningstid, så vi er opmærksomme. Med din tilladelse vil vi informere vores personale og dine naboer, så de kan vise hensyn. Vi vil gerne informere dine naboer, da det åbner op for, at de eventuelt kan hjælpe med indkøb osv. efter behov.

Her er 5 gode råd til at forebygge smitten:

1. Download og brug Smittestop-appen: <https://smittestop.dk/>
2. Altid hav en håndsprit med dig og brug den hver gang du været i nærheden af berøringsoverflader, såsom elevatorer, fælles døre og trappeopgange
3. Isolér dig selv, hvis du oplever symptomer eller har været i nærkontakt med en smittet.
4. Bor du i en delebolig og er testet positiv, så kan du gøre brug af kommunens tilbud angående isolationsophold uden for hjemmet: [https://www.sst.dk/da/corona/hvis-du-har-symptomer\\_-er-syg-eller-smittet/selvisolation-og-isolationsophold](https://www.sst.dk/da/corona/hvis-du-har-symptomer_-er-syg-eller-smittet/selvisolation-og-isolationsophold)
5. Husk at følge sundhedsstyrelsens guidelines angående forebyggelse af smitten: <https://www.sst.dk/da/corona/Forebyg-smitte/Generelle-raad>

Dear Resident,

In light of the current situation with Covid-19 in Odense we all have to make an effort to prevent the spread of the virus.

If you have been infected, then we recommend that you contact us on our phone number +45 66 13 40 08 within our opening hours, so that we are aware. With your permission, we will notify our staff and your neighbors, so that they can show consideration. We would like to notify your neighbors as that opens up for the possibility that they can help you with grocery shopping and so on as required.

Here are 5 good tips to prevent the spread of the virus:

1. Download and use the smittestop-app: <https://smittestop.dk/en>
2. Always carry hand sanitizer and use it every time you have been near contact surfaces such as elevators, the common doors and stairwells
3. Isolate yourself if you are experiencing symptoms or have been in close contact with someone who is infected
4. If you live in a shared housing and have been tested positive, then you can use the commune's offer regarding voluntary out of home stays: [https://www.sst.dk/en/English/Corona-eng/Symptoms\\_tested-positive-or-a-close-contact/Self-isolation-and-voluntary-out-of-home-stays](https://www.sst.dk/en/English/Corona-eng/Symptoms_tested-positive-or-a-close-contact/Self-isolation-and-voluntary-out-of-home-stays)
5. Remember to follow the Danish Health and Medicines Authority's guidelines regarding the prevention of the virus: <https://www.sst.dk/en/English/Corona-eng/Prevent-infection/General-guidance>
